V40 GLASS PARTITION

Combining aesthetics, simplicity and performance, the V40 glass partition system has been designed for easy installation thanks to its straight cuts (90°), brackets and assembly clips. Its sleek design, inspired by Art Deco style, adapts to all your configurations: glass partition on half-wall or full-height.

The V40 glass partition system allows the integration of a swing door with visible or invisible hinges, transom or full-height.

PRODUCT ADVANTAGES :

- > Simple to manufacture, assemble and install (straight cuts, clip-on glazing beads, bracket-based assembly).
- > Sleek design & Art Deco: Straight lines and/or curves (40x50mm).
- > Full-height - For a high-end finish.
- > 6-8 mm centred infill : glass or decorative panel.
- > Easy integration of the swing door - with or without transom.
- > Choice between visible or invisible hinges.
- > Infinite customisation : crossbars, self adhesive flat profile, curved flat profile.
- > Choice of lock - roller, bolt or magnetic.
