

INSPIRATIONS BOOK

LAYOUT - DESIGN - FURNISHING

25 years of expertise

For the past 25 years, SEED has been part of the world of interior design layout & furnishing, working alongside skilled professionals who share their value of quality and aesthetics.

Designer of aluminium systems used in the creation of **wardrobes, dressing rooms, internal glass partitions, doors, modular furniture and more**, SEED places innovation at the heart of its development process and offers product ranges that are stylish, modular, creative, customisable and easy to implement

Solutions designed for everyday living

Our solutions they are designed to :

- Optimise space
- Deliver functionality and practicality
- Enhance comfort and organisation
- Define areas and set the mood
- Stimulate the senses and create unique atmospheres
- Highlight and display
